FEATURES AND BENEFITS

LUXAFLEX® VERTICAL BLINDS

A TIMELESS AND FUNCTIONAL WINDOW COVERING SOLUTION

Luxaflex Vertical Blinds are a traditional and practical shade, combining a premium hardware system and vertical fabric vanes to control heat, light and privacy with precision.

Angle vertical fabric vanes for light control.

Flexible Light Control

Luxaflex Vertical Blinds feature vertical fabric vanes that can be easily rotated to control the level of privacy and direction of the light entering the room. With 200 degree vane closure, minimum light leakage between fabric vanes provides enhanced room darkening and privacy.

An ideal solution for large sliding doors.

Versatility Guaranteed

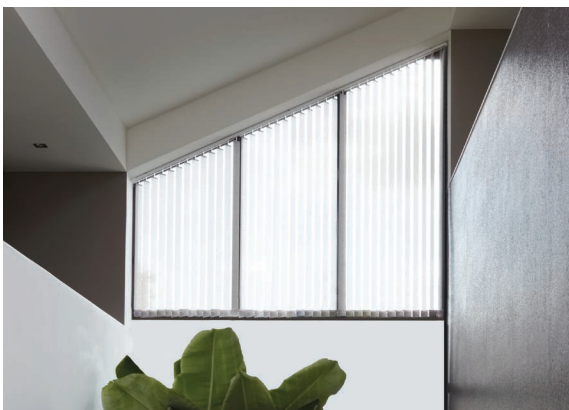

Suitable for a wide range of applications, vertical blinds are an incredibly versatile solution perfect for large sliding doors. Neatly stack the vertical blind to the left, right, centre or split stack down the centre for a complete view through or instant access to doors.

Sleek hardware and contoured headrail design.

Premium Hardware System

Featuring the Australian designed and developed EDGE Vertical Blind System, engineered for durability, ultra-smooth operation and contemporary interior aesthetic.

Solution for large sloping and irregular shaped windows.

Unique Window Solutions

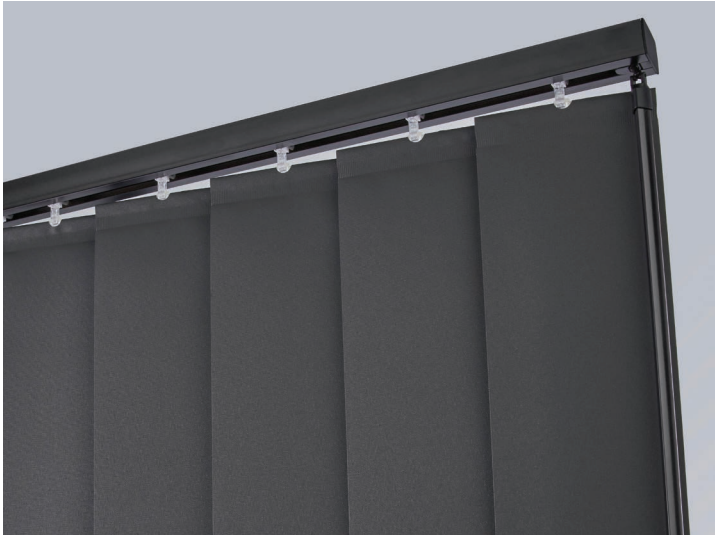

The EDGE Vertical Blind Track provides the most flexible solution for large sloping and irregular shaped windows.

Luxaflex Vertical Blinds are ideal for larger applications and can be split down the middle for instant access to doors.

Colour match Luxaflex Vertical Blinds with Luxaflex Roller Blinds for seamless interior harmonisation.

Customise Your Look

Available in a wide variety of fabric colours and textures to suit your home. Coordinate the headrail and operating controls with the vertical fabric vanes for a cohesive finish.

Earless bottom weights for enhanced child safety.

Child & Pet Safety

Chain and cords can present a hazard in the home. Pair the Traversing Wand Operation with earless bottom weights for an enhanced child safe window covering solution.

Traversing Wand Operation

Chain & Cord Operation

Smooth Operating Control

Designed for simplicity and smooth control, combine Luxaflex Vertical Shades with one of our operating solutions including Traversing Wand or Chain & Cord.

Traversing Wand Operation

Provides an effortless and smooth operation using one hand to tilt the blades and draw the shade across with a single wand.

Chain & Cord Operation

Featuring a durable beaded chain used to tilt the fabric vanes and cord allowing you to draw the shade across.

THE LUXAFLEX DIFFERENCE

LUXAFLEX® VERTICAL BLINDS

Innovation is our Heritage

Luxaflex Window Fashions has been a leading brand in Australian homes since 1954. With a Dutch heritage, design and innovation are at the core of the brand. The Luxaflex brand has continued to expand the Australian product range, combining the best of international and local innovations.

Industry Leading Designs

Many of our products are patented and exclusive to Luxaflex Window Fashions. Our entire range is engineered and thoroughly tested to meet the high quality standards of the brand, but also to deliver high performance in our harsh Australian environment.

Personalised Service

All Luxaflex products are custom made to your window requirements so they fit perfectly. Our Luxaflex showrooms provide the ultimate experience, from your initial enquiry and showroom visit through to the after-sales service.

Australian Made Quality

Supporting local jobs, most of our product range is made to measure in our Australian factories. Our local production ensures we maintain strict quality controls and faster lead times for our customers. We stand behind our products by offering a 5 Year Manufacturer's Warranty#.

Child Safety

All Luxaflex Window Fashions are designed with safety in mind and are compliant with the latest ACCC Child Safety Regulations to ensure they can be operated in a safe manner.
